A Note from Ms. Holly

I am so excited to celebrate the birth of Jesus with all of my friends at preschool!! This is such an exciting time of the year! I am amazed with how much the children have improved on their cutting skills! Keep working at home with them, it really does help out. This month we are going to be working hard on writing our names. The children are doing really well with their numbers and letters. They love the color songs. I hope that are able to sing them at home (on the first page of their books is the tune the color song should be sung to). Stop in and look at our art work. We will be decorating Christmas trees so our room will look festive! I pray that everyone has a Blessed Christmas season!

Christmas Program

The Christmas Program will be held on Sunday, December 20th at 2:00 at the High School commons. Please have your child there by 1:45 so that we can get everyone lined up. Also, I want to let you know that if your child doesn't feel comfortable saying their part facing the audience, I will have them turn around and face me and then say it. I know that it sounds crazy, but it just might take away their fear of speaking in front of all the adults. Please keep working on their parts. Practice talking clear, slow and loud. After the preschool portion of the program is over, I ask that you have your child sit with you for the remaining of the Sunday School program. Thank you!

THANK YOU!!!

A **HUGE THANK YOU** to all the families that participated in the Qdoba fundraiser!!! The money that we raised will be used to help buy supplies for the preschool!! Thank you for your support!

Also, thank you to all the parents who were able to help out with the field trips. It was nice to get to know all the mom's and siblings of my students! Thank you!
