A Note from Ms. Holly

We are finally heading into February! This month we will be working with centers. The centers may include, puzzles, writing their name, cutting, sorting colors, shapes and letters. We will also have a center that will give them a chance to play with friends. It is wonderful to watch your child grow. Some of the students are really recognizing their letters! This is wonderful! We are working really hard on numbers, during calendar time. We learned a new song for the months of the year. Have them sing it to you and ask them what month their birthday is. This is a fun way of learning. We are also working on songs to sing in church. I will let you know the date as soon as I know.

Note: CLASS CALENDAR IS ON THE BACK!!!!

Bible Stories We Will Be Studying

- Jesus Stops a Storm
- Jesus Feeds 5,000
- Jesus Heals a Deaf Man
- Jesus Heals a Blind Man

- If you have any prayer request please let me know. We will pray at the preschool along with the church with your permission.

Up Coming Events

- February 11- Field Trip-Tea Dental Clinic
- February 11 -Valentine's Day Party
- February 16- Show N Tell

Valentine's Day Party

We will celebrate this day by sharing valentine's treats with our friends. Each child will make a valentine bag, (made at school) to hold all of their treats. To make it simple, please DO NOT put who the treat is to on the card. Just have your child sign their name to the card. Questions about this, let me know. Also I would like someone to bring cookies or cupcakes to our party. Please let me know if you are interested in helping us out. Thanks!

Thank you! 😊

Great job on allowing your child to take charge and hang up their coats, book bags and their folder. They are doing GREAT! This helps your child learn to be independent and helps boost their self-esteem! Thanks for taking a step back! Also, thank you to the parents who were able to send a snack item. If you still want to sign up, there are still a few items left. Thanks!!!

Fall Registration- School starts Sept. 7th

Don't forget to sign up your child for the 4 /5 preschool class. The afternoon class is already half full. If you know of someone that is interested in one of the classes, please let me know, I will send extra registration forms home with you.

Vision and Hearing Screening

Sanford Health has a program that screens your child's vision and hearing. This year they did not receive a grant, so therefore it cost \$5 a child. If you are interested in having your child tested, please sign up on the sheet on the closet door, or send me an email. If we have enough families interested, we will have Sanford come to our preschool to screen the families that want to pay the \$5.

Weather

Please remember to listen or watch the T.V. for Tea closings or late starts. If Tea has a late start, we will not have morning preschool. If they do not have school, we will also be closed.

Also, when the temperature is 20 degrees and above, we will try and go outside. If the wind is super cold, then we won't. If the sun is shining and feels warm, then we will go outside. The children need fresh air and love to play in the snow (I do too)! Thanks!
