A Note from Ms. Holly

It is hard to believe that we are near the end of the school year! May is a month full of adventure. We will have the Mother's Tea on May 4th. Please let me know if you (mom) are unable to attend. I ask that Grandma, Aunt, or a friend to fill your shoes if you are unable to attend. ☺ May 18th we will be going to the Zoo. Please send a sack lunch. We will be eat and play at the park following the Zoo visit. On the final day we will be taking a trip to the park to have some final play time with our friends.

This past month we worked with the sand table. They were able to dig for their letters in their name and spell them out. I also introduced the puppet theater. They really enjoyed pretending to be an animal. The highlight of the day is usually "Who is the V.I. P?" The children love to be my helper. Each day I have a different V.I.P to help me with calendar, snacks, line leader and many other tasks. They love it! We did finish up the letters and will be reviewing them this month.

Note: CLASS CALENDAR IS ON THE BACK!!!!

Bible Stories We Will Be Studying

Thank you!

Thank you so much for giving me the opportunity to teach your child God's Word. I love to hear that the students go home and retell the bible story for the day! That truly warms my heart. I am so proud of all the children. They have grown spiritually, physically, emotionally and academically have become stronger. I pray that your child's faith will grow stronger through the years. Thank you for being supportive and understanding parents. You have made my first year of teaching fun, exciting and rewarding. Please keep in touch! God's blessings on a blessed and safe summer! Blessings, Ms. Holly

Fall Registration- School starts Sept. 7th

Don't forget to sign up your child for the 4 /5 preschool class. If you know of someone that is interested in one of the classes, please let me know, I will send extra registration forms home with you.

Zoo Field Trip-May 18th

If you are going to the zoo and have a membership, I still need a copy of it. Ms. Anne will take the passes and the money up to front and check us in. They will then let us in altogether. This makes checking in, easier and quicker. Please fill out the orange sheet so I know how many students need a ride. I will arrive as soon as I am done with my Dr. apt. We should be back in Tea around 1:00. My cell# is 201-2961, if you would need to reach me.

If we would happen to get a rainy day, we will be doing other fun activities at the preschool. We would have class from 9:30-12:00. We would eat our sack lunches at school, let's pray for beautiful weather!!! Thanks! Holly
