## A Note from Ms. Holly

What an exciting October! I really enjoyed going on the field trips. Thanks to all the parents that helped out!!! I plan to send the pictures out through Kodak Gallery. You can order them from there. Please watch for that in your junk mail. Also, thanks for doing a wonderful job singing in church!!!

We are learning so much. The students are making ABC flip books with a picture that represents the letter. I plan to send them home soon, so that you can practice the sounds and the name of letter. As we learn a letter, please add the letter to the book. We are also making a thumbprint number book that will go home at the end of the school year! The students will be making art work to put on the wall, so please stop in to check out your little artist work!!! Also, it would be really helpful if you could help your child practice cutting. Let them snip strips of paper that is  $\frac{1}{2}$  inch wide, when that is mastered, have them cut a long line.

I will be passing out Christmas Program parts. Please take the time to help your child memorize their part. Thanks for working with your child!!!!

Side note: Class Calendar is on the back!

## Froggie News

Thank you for reading, praying spending time with your child. They love taking Froggie home. I will add a new book to the bag the second time it comes to your home. Keep up the great letters! The students LOVE them!!!

On a sad note, Mrs. Wiggles passed away last Saturday. I do not know exactly why, however, she seemed to be very passive when it came time to eat, therefore Mr. Wiggles ate most of the food. I did share this with the students. Therefore we were able to talk about death.

## This Week's Assignments

This week in Science we will be studying animals, including dinosaurs and pets, as well as astronomy. Children will be required to complete an in-depth science report on the animal of their choice by next Wednesday morning. Our trip to the zoo on Thursday may inspire some creative choices!
